ATTENTION! This document, along with the User Manual, is a part of the device and is being delivered along with the fireplace (hereinafter collectively referred to as «Instructions»). If one or both of these documents weren't delivered with your fireplace, please contact the manufacturer prior to the installation and/or use of the fireplace.

- Make sure to read this Technical Documentation (hereinafter «Documentation») before using the fireplace!
- Keep this Documentation in a safe place for the lifetime of the fireplace!
- This appliance by design, method of operation, consumer properties and technical safety fully complies with the requirements of the European Standard EN 16647:2015

ATTENTION! Please follow local laws when using the appliance.

SYMBOLS

FIRE AND BURN HAZARD SIGN

A WARNING SIGN indicates a potential for property damage, personal injury, or death

AN ATTENTION SIGN indicates important information

CONFIGURATION

Standard configuration

	Smart fireplace (Standard top panel Black glossy)		Fuel hose
	1 pc		1 pc
	Power cable: Euro Plug – WAGO (length 2,7 m)		Packaging
	1 set		1 pc
	Mounting handles		Documentation
	2 pcs		1 set

Optional extra

You can add any option listed below:

	Glass Border (one or two)
	code GB (1, 2)
	Custom Top (Matte (black), RAL Glossy , RAL Matte , Inox)
	code CT (M, RG, RM, I)

	Remote Control
	code RC
	Smart Home connection module
	code SH
	Enlarged Fuel Tank
	code EFT

ARS (the external control and refuelling module) is available in three configurations:

	Standard ARS
	code S-ARS

	Mini ARS (down)
	code M-ARS(down)
	Mini ARS (up)
	code M-ARS(up)

THERMOBOXES

You can also choose the Neverdark Thermobox for your fireplace. The Thermobox can withstand temperatures up to 200°C, allowing you to choose any material for lining the niche.

	Single-Sided code TSS		Three-Sided code TTS
	Right Corner code TRC		Room Divider code TRD
	Left Corner code TLC		See-Through code TST

NICHE PREPARATION

Niche dimensions for the fireplace with standard fuel tank

Niche dimensions for the fireplace with enlarged fuel tank

WARNING! For correct operation of the Fireplace, it must be installed 100% horizontally according to the level!

Niche requirements

WARNING!

Min 1000 mm to flammable objects from any exposed side of the niche.

Min 500 mm to flammable objects from any closed side of the niche.

WARNING!

Heat-resistant material which withstands 150°C at least.

Alternatively, a non heat-resistant material + Neverdark Thermobox

WARNING! For safe and correct operation of the fireplace it is mandatory to provide an air supply opening (100 cm² at least) in the lower part of the niche.

INSTALLATION

WARNING! 220V cable connection must be carried out by a qualified electrician.

* Kindly note that some parameters may slightly vary (within 10%), due to different manufacturing date, climate/surrounding effects, fuel, etc.

**Read
USER MANUAL**

**Read
SAFETY INSTRUCTION**

Warnings

The manufacturer does not recommend placing objects that are sensitive to high temperatures above or next to the fireplace as this may significantly shorten their service lifetime.

In case the Technical Documentation and User Manual were not followed, the manufacturer would not be responsible for any damage to objects above or next to the fireplace.

ATTENTION! Kindly follow next rules while using the Neverdark fireplace:

- Keep away from children;
- Ensure that the wall/table/floor on which you place the appliance can withstand its weight;
- Install in a place protected from draughts only;
- Do not cover top or side ventilation grids;
- Do not place flammable objects on the appliance;
- Keep a carbon dioxide fire extinguisher within sight;
- The use of a separate electricity line with a fuse and/or circuit breaker is mandatory;
- For comfortable use of the fireplace it is necessary to ensure the supply of a fresh air into the room, as well as removal of a combustion products. It can be a ventilation extractor, recuperator or an opened window;
- Keep this Documentation in a safe place for the lifetime of the fireplace!
